My dear Mr. [illegible]

I have just received your letter of the 11th inst. and am glad to hear that you are well. I am also well and hope this finds you the same. I have been thinking much of late about the future of our country and the state of our Union. It seems to me that we are passing through a critical period in our history and that the result will determine whether we are to remain a united people or become a collection of warring states. I feel that it is our duty to stand by our principles and our Union, no matter what the cost. I hope that you will also feel this way and that you will do all in your power to support our Government and our country.

I am, Sir, very respectfully,
Your obedient servant,
